And the “Art Star” of the Month is...

I'm happy to announce that the “Art Star” award for **July** goes to **Peter L. (Rm. 311)**. Please assist me in congratulating **Peter** for all of the hard work, creativity, and independence that he has shown over the past month.

What's Going On?!

Art Intern

There is a new face in the **Art Room**. Some of you may have already met her. Her name is **Julia** and she is from the **Spence School In Manhattan**. She will be helping out in both **Art** (Wed. & Thurs.) and in **Julian V.'s Music** classes (Mon., Tues., & Fri.) until **August 6th**. Please help me make her feel welcome!

Staff Appreciation Centerpieces

The **Art Department** is working with **Cindy R. (Transition Dept.)** to design centerpieces for this year's **Staff Appreciation Party (Sept. 10th)**. A selected group of students will then create **35** centerpieces based on the chosen design.

Staff Appreciation is a yearly event honoring **ACA's** employees for their hard work and dedication to the individuals they serve.

Art For New Building

Kathleen M. (Director of Children's Services) has asked for student artwork to adorn the walls of the **Family Visiting Rooms** in the new **Village Center**. It is a great honor to be selected for display in such a beautiful and important location! Congratulations!

Below is a list of students and artwork that was given to Kathleen for display:

Aaron G.—Zebras

Steven S.—Tigers

Christopher T.—Fireflies

Brian C.—Cityscapes

Michael R.—Owl & Birch Trees

Jessica C.—Matisse Fishbowl

Art on Display

The “**Graduation Drawings**” created by **Rooms 119** (Christine C.) and **309** (Kathy K.) were on display in the cafeteria during last month's lunch honoring our 2010 graduates. I hope everyone got to see them. Great Job Students!!
